ACADEMIC INFORMATION

Classification of Students

Freshman: Students with less than 30 semester hours of credit are a freshman.

Sophomore: Students with 30-60 hours of credit are classified as sophomores.

Grades

The grades used in college reports and records are A (excellent), B (above average), C (average), D (below average), F (failure), I (incomplete), W (withdrawn). (A grade of "D" given in a developmental or remedial course is not considered passing and students could not advance to the next level of courses.) The lowest passing grade for most courses is D.

Grade point averages are computed by assigning values to each grade as follows:

A = 4 points B = 3 points C = 2 points D = 1 point F = 0 points

In calculating the grade-point average under the above system, a student with 12 hours of A's and 3 hours of F's would have 48 grade points divided by 15 semester hours, thus a grade-point average of 3.20 for the semester hours attempted. Under this system a student must have at least a 2.00 for the "C" average required for graduation.

In case of illness or similar emergency, a grade of incomplete (I) may be given. Students requesting an incomplete (I) must see their instructor for approval. If course requirements are not completed during the next long semester, the grade of "I" will be changed to "F".

A student who repeats a course in an attempt to improve a grade will be awarded the grade from the last attempt.

President's List

The purpose of the Presidents' List is to honor those students who achieve academic perfection by making the highest grade point average possible, 4.0, while enrolled in at least 12 semester hours.

Dean's List

At the end of each semester, a Dean's List of the highest ranking students will be compiled. In order to make the Hill College Dean's List, a student must:

1. Complete at least 12 semester hours during the semester under consideration.
2. Earn a grade point average of 3.50 in all courses attempted during the semester.

Semester Hours and Credits

The college operates on the semester plan with two long semesters of 16 weeks each, two 8 week terms, and four summer terms of 11 weeks, 9 weeks and 5 weeks.

The unit of credit in college is the semester hour, which is the credit earned by meeting a course one hour per week for a semester. This basic measure may be adjusted proportionately to reflect modified academic calendars and formats of study.

Approval from the Dean of Instruction of the student's major program or VP of Instruction is required for loads exceeding these maximum numbers.

Course Cancellations

Hill College reserves the right to cancel a course at any time. Course cancellations include, but are not limited to low enrollment in the course, instructor change, loss of instructor and/or program changes. Students enrolled in the course will be contacted by the college. 100% refund is assessed when a cancellation occurs. Course cancellations do not affect the six (6) hour drop rule. Depending on registration availability, a course maybe added to replace the canceled course. Students in a developmental course that was canceled must enroll in at least one developmental during the term or the student will be removed from all course(s) at the time of the cancellation.

Drop Limit Procedures

Section 51.907 of the Texas Education Code, enacted by the State of Texas during spring 2007, applies to students who enroll in a public institution of higher education as a first time freshman in fall 2007 or later.

Based on this law, Hill College may not permit a student to drop more than six courses during their undergraduate career, including courses taken at another Texas public institution of higher education. Any course that the student drops is counted towards the six course limit if "1) the student was able to drop the course without receiving a grade or incurring an academic penalty; 2) the student's transcript indicates or will indicate that the student was enrolled in the course; and 3) the student is not dropping the course in order to withdraw from the institution." College credit taken while enrolled in high school and below college credit courses does not count towards the total of six courses.

All courses dropped after the census date (the 12th day of classes) are included in the six-course limit unless (1) the student resigns from all courses or (2) the drop is approved by an appropriate Hill College official as a Drop Exception. If a student drops a course and then later resigns from Hill College, the individual drop(s) from earlier in the semester will be counted as a part of the complete resignation and not count towards the six drop total. Once the six drops have been used, the student must complete all courses they are enrolled in regardless of academic performance.

Unusual circumstances may arise which prevents a student from satisfactorily completing a course. Drop Exceptions can be considered when the student provides documentation that the drop is required and that because of the circumstances, the student could not satisfactorily complete the course. Examples include (but are not limited to):

1. Illness
2. Care of sick, injured, or needy
3. Death in the family
4. Called to active duty service
5. Change of the student's work schedule that is beyond the student's control
6. Loss of transportation.
7. Loss of child care.
8. Lack of financial resources (supplies, travel, etc.).
9. Hill College determines that there is other good cause for the student to drop the course with appropriate documentation.

If one of the above exceptions is approved, the student will be allowed to drop the course and the drop will not count towards the six drop limit total.

The student has up to one year from the initial drop to petition for a Drop Exception.

Examinations

- Semester Examinations. At the end of each semester examinations are given in all subjects according to a prepared schedule. Because of the value in bringing about a general view of a whole subject, no student is excused from any final examination for any reason. No final examination may be given other than on the regularly scheduled date unless approved by the Vice President of Instruction.
- Postponed Examinations. A student who misses a semester examination for reason beyond control should petition in writing for a postponed examination. The student will be notified of the time and place of the postponed examination if the request is granted. Absence from an examination without valid reason will result in a grade of "F" for the course.

Resigning from the College

When a student finds it necessary to resign from school before the end of the semester, he or she should obtain a resignation form from the Academic Advising and Success Center. Full instructions for resigning from college will be given at the time the resignation form is picked up. Students may also resign from the college by sending a written request for such action to the Office of Enrollment Services. The request must include the student's signature, the student's current address, social security number, phone number, and course names and numbers of the courses for which the student is currently enrolled. The date postmarked on the envelope will be the official resignation date. Students who resign after the census date for the semester and on or before the end of the 12th week of a long semester or on or before the last day to drop a class of a term as designated in the college calendar will be assigned a grade of "W." A student who discontinues class attendance and does not officially resign before the last day to drop a class will receive a performance grade for the course:

https://www.hillcollege.edu/Admissions_Aid/SchedChange.html.

Schedule Changes

Any change in a student's class schedule after registration and prior to the census date of the semester is accomplished by completing the official Advising Form obtained from the Academic Advising and Student Success Center. Students must pay a \$10.00 change of schedule fee to the Business Office if they wish to add or drop a course after classes begin. No course(s) may be added after the date designated by the school calendar as the last date to add a course: https://www.hillcollege.edu/Admissions_Aid/SchedChange.html.

Scholastic Standards of Progress

1. Measure of Quality. The records of all students who attempt 12 or more semester hours will be reviewed and evaluated at least once per year. A full-time student's record will be reviewed at the end of each semester. Full-time students and part-time students who have attempted 12 or more semester hours will be considered to be achieving satisfactory progress in "Good Standing" if they earn a cumulative 2.0 grade point average or higher (on a 4.0 scale).

2. Scholastic Probation. Students who do not achieve satisfactory progress (cumulative minimum G.P.A. of 2.0) will be placed on Scholastic Probation for the next long semester. Students on scholastic probation are expected to attend every class unless hindered by circumstances beyond their control.

3. Scholastic Suspension. Students who are on scholastic probation and fail to achieve minimum cumulative G.P.A. of 2.0 or higher during the next term will be placed on scholastic Suspension (suspended from enrollment for the next long semester). After serving a one semester suspension these students will be eligible to re-enter on scholastic probation.

A student may appeal this action by submitting an online appeal application if there are extenuating circumstances which might alter the suspension status. Students are notified of the appeal decision through the online appeal status. If an appeal is denied, a student may request in writing to meet with the Admissions Committee for further review of circumstances. Approved appeals may have restriction to enrollment.

4. Continued Scholastic Probation. Continued probation instead of suspension will be in effect for students who fail to achieve the cumulative 2.0 G.P.A. but in the current semester earn 12 or more semester hours with current 2.0 or higher G.P.A. When these students attain the cumulative minimum of 2.0 or higher G.P.A., they will be in "Good Standing."

5. Re-entry. Students who have been on suspension may re-enter on scholastic probation. If they fail to meet the minimum requirements as indicated, they will be placed on scholastic suspension for one calendar year. After one year the student may be admitted on scholastic probation. Should the student still not meet the minimum

requirements, he/she will be placed on scholastic suspension again for a calendar year and may be re-admitted only upon approval through the online appeal process.

Standards of Progress in Remedial Courses

Students who do not make satisfactory progress in mandatory remedial course(s) (regardless of overall G.P.A.) will be placed on attendance probation. Students are expected to attend every class unless hindered by circumstances beyond their control.

Transfer of Credit

Credit for courses in which a passing grade (D or better) has been earned may be transferred to Hill College from a post-secondary institution that is accredited by one of the regional accrediting bodies. It is the responsibility of each transfer student to have official transcripts from all colleges attended sent to Hill College. A course from an accredited institution will be accepted in lieu of a specific course at Hill College only if evidence indicates the course is equivalent: <https://www.hillcollege.edu/Student/Advising/TransferServices.html>.

Course work completed at colleges and universities outside the United States will be considered for transfer on an individual basis. All foreign credentials submitted to Hill College must include the original transcript plus a certified English translation.

Transfer work from accredited institutions will be posted to the Hill College transcript when:

- all official transcripts have been received
- student has been identified as seeking a certificate of degree from Hill College and
- student has attempted at least six (6) semester hours at Hill College.

Transcripts of Credit

Official Transcripts are free of charge. Requests for official transcripts are completed and submitted electronically through a student's MyHC student portal. Students should allow 48 hours for processing of a transcript request.

Information regarding transcript requests may be found at

https://www.hillcollege.edu/Admissions_Aid/Admissions/Transcripts.html. If a student is not sure of MyHC login information, they can review the **MyHC login** instructions. If the student's MyHC account is no longer active or they don't have a MyHC account, the student needs to email admissions@hillcollege.edu. A link will be provided to the official transcript request form. If a student needs additional assistance, they may call Student Information Services at 254.659.7600.

Types of Degrees and Certificates

Hill College offers the Associate of Arts Degree, the Associate of Science Degree, the Associate of Arts in Teaching, the Associate of Applied Science Degree, Certificate of Technology, Certificate of Completion, and Occupational Skills Award.

A student who fails to graduate at the expected time and completes the remaining requirements at another institution may transfer hours of work back to Hill College. Official transcripts must be requested to be sent to the graduation specialist in Student Information Services. Reverse graduation students should complete an online graduation application.

Withdrawal from Courses

Withdrawal Prior to Census Date (Official Reporting Date)

Any drop of a class prior to census date will not reflect on the official transcript. Drops prior to census date can be done online during open registration periods or in the Academic Advising and Success Center. Any drop may affect financial aid. Please see financial aid for further information.

Course Withdrawal after Census Date (Official Reporting Date)

A student may withdraw from a course with a grade of "W" any time after the census date for the semester and on or before the end of the 12th week of a long semester or on or before the last day to drop a class of a term as designated in the college academic calendar. The request for permission to drop a course is initiated by the student by procuring a drop card from the Academic Advising and Success Center. Other steps in the drop process to be taken by the student will be explained when the drop card is issued. A student who discontinues class attendance and does not officially drop the course on or before the last day to drop a course will receive a performance grade for the course. Any drop may affect financial aid. Please see financial aid for further information.

Please be advised that there may be a maximum number of classes a student may withdraw from during their college experience.

A student who is enrolled in a developmental course for TSI purposes may not drop his/her only developmental course unless the student completely withdraws from the college.

International students, students receiving financial aid and/or veterans' assistance should see the appropriate college official before dropping or withdrawing from any class. Any student who is considering dropping a course is encouraged to contact his/her instructor prior to initiating a drop or withdrawal.

Financial Aid

The purpose of financial aid at Hill College is to provide financial assistance to any student who might be denied a college education because of insufficient funds (*based on documented need*). In addition to need-based assistance, Hill College offers a number of scholarships designed to recognize a student's academic, career and technical, and/or athletic ability. These scholarships are awarded on the basis of ability and participation in specific activities.

Information and applications are available in the Student Information Services. Any student, upon request, may review a copy of documents describing the institutions accreditation, approval, and licensing bodies by contacting the Office of the Vice President of External Affairs.

Early Admissions, Dual Credit Enrollment, or students not determined to be a Regular student (as per Hill College's catalog description) are not eligible for student financial aid.

FAFSA Applications for Federal Financial Aid should be submitted by the priority dates of by **July 1st** for the fall semester, **November 1st** for the spring semester, and **April 1st** for the summer semester. For the purpose of Federal Financial Aid, summer is treated as one term and the Federal Aid used will be considered as continuation of the prior award year.

If the student's financial aid is not available on the date of registration, the student is then held responsible for tuition and fees. Students needing financial assistance should return all requested documentation on or before the stated deadlines or the deadline noted on school correspondence.

Student loans may not be awarded after the last day to receive a "W" for any semester. These dates are published in the yearly academic calendar.

Federal Pell Grant- Federal Pell Grants are available to eligible undergraduate students who have not yet received a bachelor's degree or a professional degree, are enrolled as a regular student in a degree or certificate program, meet program eligibility requirements, and have submitted a valid Student Aid Report (SAR). Students must establish grant eligibility by participating in a face to face class prior to census date (12th class day). Students participating in online classes must establish grant eligibility prior to census date (12th class day) by submitting a post, submitting an assignment, or by the criteria set forth by the instructor. Award amounts adjust according to the number of hours a student is enrolled in and the award will adjust down when a student does not establish eligibility as described.

Effective 7-1-2012 Ability to Benefit (ATB) assistance for students without an official high school transcript, valid GED scores, or official college transcript(s) will no longer be available. Students using ATB that were enrolled prior to 7-1-2012 will still be eligible for the benefit if meeting satisfactory academic progress. A student may be eligible to enroll at Hill College on individual approval but would not be eligible to receive financial aid. Please contact Student Information Services if you have further questions.

The eligibility criteria are demonstrated by financial need. Students planning to attend Hill College must complete the Free Application for Federal Student Aid (FAFSA). The results of this application will produce a dollar amount that the student and/or the families are reasonably expected to contribute toward the students educational expenses. This amount is called the "Expected Family Contribution" or EFC. It is subtracted from the estimated cost of education determined by the school resulting in what is called documented NEED. The EFC, along with a student's enrollment status and the length of his or her program of study, determine the student's award. Students may receive aid up to this amount of need but may not exceed it. Grant funds do not have to be repaid, unless a student who received Title IV funds withdraws, is dismissed or stops attending classes prior to the 60% point in the semester, then he/she may owe funds back to the Department of Education and/or Hill College. See Unofficial Withdrawals and the Treatment of Title IV Funds for grades of all F's in the student handbook.

Clock Hour Programs – Students planning to enroll in one of the following clock hour programs should be aware that clock hour programs could affect the amount of your Title IV grants and loans. It is the student's responsibility to discuss clock hour programs with Student Information Services and the program instructor. Clock hour programs include: Cosmetology, Emergency Medical Services, Fire Academy, LVN Programs, and Police Academy.

Federal Supplemental Educational Opportunity Grants (SEOG)--This grant is for undergraduates with exceptional need, that is, students with the lowest Expected Family Contribution (EFC) who are also Pell Grant recipients. SEOG is awarded on a first come-first serve basis. The student's enrollment status on census date will determine the amount of the award. The funds do not have to be repaid, unless a student who received Title IV funds withdraws, is dismissed or stops attending classes prior to the 60% point in the

semester, then he/she may owe funds back to the Department of Education and/or Hill College. See Unofficial Withdrawals and Treatment of Title IV Aid.

Federal Work-Study Program (FWS)--The purpose of the Federal Work-Study Program is to give part-time employment to students who need the income to help meet the cost of postsecondary education and to encourage FWS recipients in community service activities including *America Reads*. A student must have "financial need" to be eligible for a FWS position. The student's cost of attendance must be more than the amount of his or her Expected Family Contribution (EFC) as calculated by the Federal Need Analysis Methodology. The pay rate is above the minimum the law requires (subject to change). A portion of Federal Work-Study funds will be used to fund workers for community service employment. A small percentage of Federal Work-Study money is made available to less than full-time students. A student must be enrolled in at least six hours to be eligible. Upon request from the student, payment of FWS funds can be made directly to the student's account to offset any unpaid institutional balance.

The general conditions and terms applicable to any employment provided to a student as part of the student's financial assistance package are available for inspection in the Financial Aid Office, and a copy is given to those who apply for and/or receive Federal Work-study. Work-Study students have the option to sign a statement that allows the payroll department to apply their earnings toward their unpaid bill. The student has a right to rescind this statement at any time.

All awards from financial assistance programs funded by the federal or state government are administered according to laws and regulations governing those programs. Policy and guidelines are subject to change as required by federal, state, or institutional policy and guidelines.

William D. Ford Direct Loan Program (DL)—Students interested in applying for a student loan will be required to complete a FAFSA, Master promissory Note and Entrance counseling. FAFSA (www.fafsa.ed.gov) are required each academic year. The Master Promissory Note requires a signature once every ten years. If no disbursement is made within one year of signing, then the student will be required to sign a new Master Promissory Note. Entrance and Exit counseling are required for the loan program. Policy and guidelines concerning loan counseling are ongoing and subject to change. Please refer to the website for the latest instructions on loan procedures. Repayment on a student loan begins 6 months after one of the following events: 1) the student graduates, 2) ceases to be enrolled at least 6 credit hours (half-time status) or 3) is no longer at Hill College.

Loan refunds will not be released for 30 days after class begins for first-year, first time borrowers. Contact the Student Information Services for additional information.

Student loans will not be awarded after the last day to receive a "W" for any semester. These dates are published in each semester's class schedule.

Texas Public Educational Grant (TPEG) – This grant may be available to students who are enrolled and have established "need" and in relation to the availability of funds. Hill College uses the results established by the Free Application for Federal Student Aid (FAFSA) as a basis to establish need. The student's enrollment status on census date will determine the amount of award.

Some TPEG funds are available to out-of-state students who have established "need" and meet eligibility requirements.

TEXAS Grant – Beginning with the 2014-2015 school year, community college students are no longer eligible for initial year TEXAS Grant awards. Community College students eligible for renewal year TEXAS Grant awards should contact Student Information Services prior to enrolling in classes.

TEXAS Equal Opportunity Grant – To receive a TEOG award, students must be a Texas resident, enroll at least half-time in the first 30 hours of a certificate or associate degree plan at a two-year institution, show financial need by completing the Free Application for Federal Student Aid (FAFSA), complete their financial aid file and their admissions file, not be convicted of a felony or crime involving a controlled substance, and not have an associate's degree or baccalaureate degree. Students who continue in college and who meet program academic standards can receive awards for up to 75 semester credit hours for four years, or until

they receive an associate's degree, whichever comes first. The academic requirements for continuing in the program are completion of at least 75 percent of the hours taken in the prior academic year, plus an overall financial GPA of at least a 2.5 on a 4.0 scale (subject to change). Transfer students eligible for renewal year awards should contact Student Information Services and advise of their eligibility.

State Work-Study – This program provides a limited number of work opportunities for eligible students who are Texas residents and are not receiving an athletic scholarship.

Vocational Rehabilitation – The Texas Educational Agency, through the Vocational Rehabilitation Division, offers assistance for tuition and fees to students who are vocationally disabled as a result of being physically or mentally disabled. For further information, contact Vocational Rehabilitation, 2205 Austin Avenue, Waco, Texas or the TRC in your area.

Texas Exemptions and Waivers – The State of Texas and Hill College provide and fund several tuition and/or exemption and/or waivers. Interested students should contact the Student Information Services for additional information. Exemptions and waivers include, but are not limited to the following:

Blind and Deaf Students

***AFDC or TANF

Children of Disabled Fireman and Police Officers

Competitive Academic Scholarships for Nonresident Students

High School Valedictorians

Senior Citizen (65 and over)

Students in Foster Care or other residential care

Firefighter Tuition Exemption

Peace Officer Tuition Exemption

Other Benefits - Depending upon individual qualifications, students may receive benefits from the Bureau of Indian Affairs, Social Security Administration, Workforce Investment Act (WIA), or Texas Rehabilitation Commission. Students interested in these benefits must see each organization respectively.

Financial Aid Application Procedures

There are three (3) options to complete a FAFSA. On all applications Hill College must be identified as one of the schools that are eligible to receive the information. The identification number for Hill College is 003573.

Option 1 FAFSA on the Web: Hill College recommends that a student complete the Free Application for Federal Student Aid (FAFSA) via the web. The address is www.fafsa.ed.gov. This process allows the student to enter new applications or enter renewal applications.

Option 2 Mail FAFSA to the Federal Processor (Student must call 1-800-433-3243 to request a paper FAFSA): Mail the Free Application for Federal Student Aid to the federal processor per directions on the application. A student should receive a Student Aid Report (SAR) in approximately 4 to 6 weeks either by mail or email (if an email address was given on the FAFSA).

Option 3 Electronically Filing at Hill College: Hill College provides computers at the Hill County Campus, Johnson County Campus and Burlison Center for this purpose. No fee is charged for this service.

After receiving the information, the financial aid office will alert the student by email to the information that is needed to complete his or her file. Financial Aid awards will not be made until the student's file is judged complete by Student Information Services. Students are provided a Hill College email account upon application and are encouraged to review it often.

Determination of Financial Need and Eligibility

The amount of financial aid that a student is eligible to receive will be determined by the Expected Family Contribution (EFC) that is calculated by the Federal processor and which appears on the SAR and/or Institutional Student Information Record (ISIR). This is the amount that a student and/or his or her family are expected to contribute towards the cost of meeting their educational expenses. Another factor that determines the amount of aid that will be received is the "Cost of Attendance" or "Cost of Education." This is the amount, as determined by federal and state guidelines, that it will cost the "average" student to attend Hill College per year (based on a 9-month budget). If you

feel that you may have extenuating circumstances which might warrant additional expenses being added to your “Cost of Attendance” budget, contact the Student Information Services.

Financial Aid Satisfactory Academic Progress Standards (SAP)

All students receiving federal and/or state financial aid must demonstrate satisfactory academic progress (SAP) in accordance with institutional, state and/or federal guidelines. All periods of enrollment at Hill College must be counted, including semesters where the student did not benefit from financial aid. There are three components included in the standards that compose satisfactory academic progress: cumulative grade point average (GPA), successful completion of courses, and time frame.

- **Financial Aid Minimum Grade Point Average (GPA)**
A cumulative GPA of at least 2.0 must be maintained upon the completion of each semester. Grades of A, B, C, D, F, and S will be included. Grades of W, and I are not included in the GPA. Transfer hours will be included in the cumulative financial aid GPA calculation when the grades are posted on the Hill College transcript. For financial aid calculation purposes, remedial classes are counted in the GPA
- **Successful Completion Rate**
67% of all hours attempted each semester must be completed to successfully maintain satisfactory academic progress (SAP). Hours attempted are measured according to enrollment on census date. Grades of F, W, and I are counted towards total hours attempted but not successfully completed each semester. For financial aid calculation purposes, remedial classes are counted in the completion rate.
- **Maximum Time Frame**
Federal guidelines stipulate that the maximum time frame for successful program completion may not exceed 150% of the published length of the program. Transfer hours will count in the maximum time frame allowed. Repeated credits and remedial classes are counted in the maximum time frame calculation. Students who exceed the 150% maximum time frame limit will no longer be eligible to benefit from financial aid at Hill College.
- Students may change majors while attending Hill College. However, excessive major changes can result in a suspension status. It is the student’s responsibility to contact Student Information Services when a major is changed to determine remaining aid eligibility.
- There is a limit of 30 total hours for remedial course work. Remedial hours attempted beyond the 30 hour limit will not be included in course load for determining enrollment status for Title IV payment purposes.

Blank grades or I’s will be considered failing until a letter grade replaces the incomplete or blank grade and will count in the completion rate. Students are responsible for advising the financial aid office when I’s have been completed.

The grade of “D” will be considered failing in the Vocational Nursing program. However, a grade of “D” is considered passing for financial aid and will be considered as such for financial aid satisfactory academic progress.

If a student passed a class once, then is repaid for retaking it, and fails the second time, that failure counts as their paid retake, and the student may not be paid for retaking the class a third time.

For questions, please contact Student Information Services or review the Federal Register 34CFR668.2(b).

In addition to the standards indicated above, the Financial Aid Administrators may use professional judgment to terminate financial aid eligibility. This may occur in a situation such as when a student falls extensively below a satisfactory academic standard and does not have a reasonable chance to meet the standard requirements by the end of the semester, or when a student fails all of their courses in a term.

Financial Aid Evaluation of Satisfactory Academic Progress Standards (SAP)

Academic progress is evaluated at the end of the fall, spring, and summer semesters. All students receiving Title IV aid will be evaluated regardless of the number of hours enrolled. All course work will be evaluated whether or not the student received financial aid.

Students not meeting financial aid SAP are notified by email on their Hill College student email account. Students may also view their financial aid SAP status on their MyHC student portal. Students are responsible for checking

their student email account, and MyHC student portal for communication concerning file completion, award acceptance, and SAP.

- **Financial Aid Warning**
This is a warning semester. Students who fail to meet one or more of the SAP standards during a long semester will be placed on financial aid warning. Students on warning will be eligible to receive financial aid during the next semester.
- **Financial Aid Suspension**
Students currently on warning, and who fail to meet one or more of the stated SAP standards will be placed on financial aid suspension. Students on financial aid suspension will not benefit from financial aid, including student loans until the minimum SAP standards are met. Students on financial aid suspension are encouraged to continue their enrollment at Hill College. The student is responsible for payment of courses.
- **Re-Entry**
Students who are currently on suspension can regain an eligible status by enrolling at Hill College and successfully completing 12 credit hours with a 2.0 GPA and a 67% completion rate. These students are responsible for alerting the financial aid administrators of their success. The financial aid staff will evaluate the student's progress. If a favorable SAP status has been acquired, the student will be placed on financial aid probation. If the student remains above the minimum standards for the next long semester, the probation status will be removed.
- Students are responsible for notifying the financial aid administrators when they believe they have met the standards of satisfactory academic progress.
- *******Academic Plan**
Students requesting an appeal that would not be able to reach financial aid SAP by the end of the next semester may be considered for an Academic Plan (AP). Placing a student on an AP requires a review of the selected major and determining a time in the future when the student will meet financial aid SAP. The student will be required to meet with the financial aid processor to discuss the class requirements and to sign off indicating he/she understands the requirements. The student will be required to meet with the processor at the end of each semester. If it is determined that the requirements for the semester were not met the student is no longer eligible for financial aid until the minimum SAP requirements are met. The student will be on suspension until financial aid SAP minimums of 2.0 GPA and 67% completion rate is met.

Financial Aid Appeal Procedure

Students not meeting SAP are notified by email with information on how to file an appeal. The application for an appeal is found on the Hill College website under Quick Links and can be located on the Financial Aid web page. The appeal status may also be checked online. An appeal request should be completed at least 45 days prior to the end of the semester that the student is requesting financial aid. Students should be prepared with an alternate payment plan for tuition, fees, books, and supplies.

Appeals may be requested for, but are not limited to the following circumstances: personal tragedy; significant illness or injury; death of a family member; change in degree/major; or lapse of time since your previous enrollment at Hill College.

The appeal will be reviewed by a financial aid administrator and the student can view the status online. If the appeal is approved, financial aid eligibility will be restored for the next semester.

Students are responsible for checking their student email account and MyHC student portal for communication concerning file completion, award acceptance, and satisfactory academic progress.

If an appeal is denied, the student must have met the requirements of the Academic Plan, earning a 2.0 or better and a 67% completion rate prior to submitting a second appeal.

Financial Aid – Dropping Course(s) or Resigning from Hill College

Reducing a student's enrollment during any semester may have significant penalty. If a student is considering dropping one or more courses or resigning from the college after their financial aid has paid or after the end of the drop and add period, the student should contact the financial aid office to determine how this may affect their financial aid. This may include the following: 1) the student may be required to return some or all of the financial aid paid to

their student account determined by the federally required return to Title IV process, 2) the student may be considered “deficient in attempted hours”; and, therefore, not making SAP progress, and 3) the student may go into repayment on federal loans if the student is enrolled less than ½ time for a period of time greater than the 6 month grace period or the grace period may be lost.

LEVEL ONE

A Hill College Student Complaint Form – Level I must be filed:

1. Within 15 days of the date the student first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem. In most circumstances, students shall file Level One complaints with the academic dean or student services representative. The administrator may designate someone else to hear the complaint/grievance. If the only administrator who has authority to remedy the alleged problem is the Level Two or Level Three administrator, the complaint may begin at Level Two or Level Three, respectively, following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the Hill College Student Complaint Form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any relevant documents or information the administrator believes will help resolve the complaint.

LEVEL TWO

If the student did not receive the relief requested at Level One or if the time for a response has expired, the student may request a conference with the vice president of instruction or the vice president of student services to appeal the Level One decision. The administrator may designate someone else to hear the complaint/grievance.

The appeal notice must be filed in writing, on a Hill College Student Complaint Form – Level II, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student may provide information concerning any documents or information relied on by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

LEVEL THREE

If the student did not receive the relief requested at Level Two or if the time for a response has expired, the student may request a conference with the College President or designee to appeal the Level Two decision.

The appeal notice must be filed in writing, on a Hill College Student Complaint Form – Level III, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two complaint to the Level Three administrator. The student may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The Level Three administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level Two. At the conference, the student may provide information concerning any documents or information relied on by the administration for the Level Two decision. The Level Three administrator may set reasonable time limits for the conference.

The Level Three administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Three administrator may consider the Level One and Level Two records, information provided at the Level Three conference, and any other relevant documents or information the Level Three administrator believes will help resolve the complaint.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

LEVEL FOUR

If the student did not receive the relief requested at Level Three or if the time for a response has expired, the student may appeal the decision to the Board.

The appeal notice must be filed in writing, on a Hill College Student Complaint Form – Level IV, within ten days after receipt of the written Level Three response, or, if no response was received, within ten days of the Level Three response deadline.

The College President or designee shall inform the student of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The College President or designee shall provide the Board the record of the Level Three complaint. The student may request a copy of the Level Three record.

The Level Three record shall include:

1. The Level One record.
2. The Level Two record.
3. The written response issued at Level Three and any attachments.
4. All other documents relied upon by the administration in reaching the Level Three decision.

The appeal shall be limited to the issues and documents considered at Level Three, except that if at the Level Four hearing the administration intends to rely on evidence not included in the Level Three record, the administration shall provide the student notice of the nature of the evidence at least three days before the hearing.

The College District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law.

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the student or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If for any reason the Board fails to reach a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.
