

Dependent Information

If you plan to have your family join you in the United States as F-2 “dependents”, you must obtain an I-20 for each person. Dependents may include your spouse and/or children under the age of 21. You must show proof of financial responsibility in the amount of \$5,000 per year for each person to be listed as your dependent.

Please complete the following information for each person you wish to have included as a dependent on your I-20. An I-20 will be necessary to obtain an F-2 Visa for your family members. You may copy this form if necessary.

Family (Last) Name: _____

Given (First) Name: _____

Middle Name: _____

Foreign Address: _____

Local Address (if already in the United States): _____

Relationship to Student (circle one): SPOUSE DAUGHTER SON

Date of Birth (month, day, and year): _____

Country of Birth: _____

Country of Citizenship: _____

Please include copies of marriage and/or birth certificates as well as passports, visas, and any other documents that may be helpful. Dependents are not eligible to work or study in the United States. Children under the age of 18 may attend primary and secondary school, but not engage in post-secondary study.
