

Texas Peace Officer Associate of Applied Science

Program Summary Certification Associate of Applied Science

The Criminal Justice Program prepares students for careers in law, counseling, and law enforcement. The Police Academy is a great way to begin your career in law enforcement and provides students with the mental, ethical, and physical training to handle the demands of the job. This program also provides the foundation for coursework leading to a degree in the legal field, whether you are looking to be a lawyer, a legal assistant, or a paralegal. This program is a great way to start a career that will help make a difference in your community.
