

COSMETOLOGY ASSOCIATE OF APPLIED SCIENCE

Cosmetology is more than cutting hair. It is a profession that will tap into and develop every talent you possess and is only the first step in shaping your destiny.

The Cosmetology Technology Program at Hill College offers theory and practical instruction to prepare you for employment as a licensed cosmetologist. Each location at Hill College is licensed by the Texas Department of Licensing and Regulation.

Hill College offers courses for cosmetology operator, cosmetology instructor, and high school dual credit. When you complete the entire curriculum, you are qualified to take the examination for licensing given by the Texas Department of Licensing and Regulation.

Submit Apply Texas application, submit FAFSA, request official transcripts, submit test scores and provide proof of Meningitis shot.
