Capsule History of Confederate and Union Regiments

These short histories contain information about the regiment's organization and commanders. It lists the higher commands to which it was assigned and the battles in which it fought. A map showing the location of these engagements is included.

To order a Capsule History please list the regimental number, state and branch (Infantry, Cavalry, Artillery). Some independent battalions are available. Most artillery units are by batteries. **(Please print the form below)**

Date: _____

Name and Address

E-Mail Address: _____

Unit: _____

Regiment Number: _____

Infantry _____ Cavalry _____ Artillery _____
