Strategic Planning is underway once again. A college-wide email was sent out reminding faculty and staff of our 2019-2020 priorities, and included a membership list. We ask that all employees included in a strategic planning team please be present and active in your respective groups.

As a reminder, the goals in our 2017-2023 Hill College Strategic Plan are:

SURVEYS

This fall, students were asked to participate in 2 different surveys to help us better understand our students and the challenges they face.

The *Revealing Institutional Strengths and Challenges Survey* (RISC) pinpoints where college students experience obstacles and identify campus offices that excel in helping students succeed.

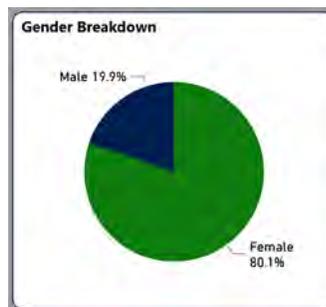

The *Student Financial Wellness Survey* by Trellis Company conducts an annual, nationwide student financial wellness survey to explore the connection between student finances and academic success.

Survey information is utilized in SACSCOC narratives, strategic planning and QEP.

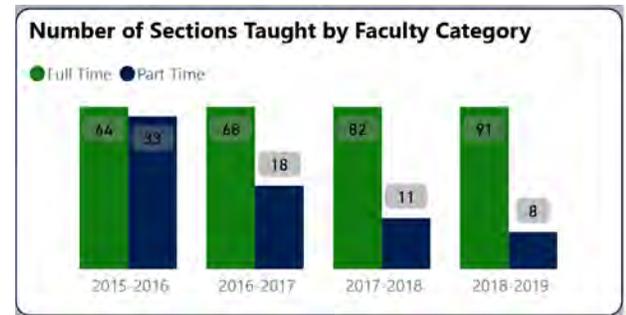

Anyone interested in looking at the results from the 2018 RISC and Financial Wellness Survey, can find a report uploaded in the [secure site](#) under the Institutional Effectiveness section.

DATA CENTER

Need to quickly look up general information about a program? The Instructional Program Dashboard can be found in the secure site under '[Data Center](#)'.
