## IE HAPPENINGS

### ALLY TELLO RECEIVES CERTIFICATE AT THE FEBRUARY BOARD OF REGENTS MEETING

Ally Tello, Coordinator of Institutional Research & Planning, completed two courses from the Association of Institutional Research. Each course was an intensive study in specific topics relating to Institutional Research. Ally spent time throughout the spring and summer months working through these courses. Courses ranged from hands-on data sets, reporting structures and designed IR research. We would like to thank Dr. Boehm for submitting the letter of recommendation and for the opportunity to support professional development in many avenues.

### SACSCOC Corner:

Last summer and fall, several areas completed self-audits in preparation for writing the SACSCOC Compliance report. Self-audits consisted of several questions that reviewers will be focusing on when we submit the compliance report in March 2020. During the fall, the IE Committee reviewed each self-audit. From the self-audits, they pinpointed areas of compliance and non-compliance. An Action Report was developed from the findings. President's Council has determined deadlines and responsible parties to conduct further reviews on the findings. Deadlines for Action Items are this spring. Writing for the Compliance document is expected to begin Summer 2019.

#### Key Dates

- Leadership Team Orientation Dec 2018
- Compliance Certification Mar 2020
- Feedback and Advisory Visit June 2020
- QEP & Focused Report Aug 2020
- On-Site Evaluation Visit Oct 2020
- Review by SACSCOC Board June 2021

# Surveys

## STUDENT SURVEY RESULTS ARE IN

To better gain information pertaining to student understanding, interest and challenges with college life, Hill College participated in two external student surveys this fall.

1. The **Student Financial Wellness Survey**– The survey was designed by Trellis Research (formally TG).

**63%** of respondents worry about having enough money to pay for college

**61%** of respondents with debt reported they had more than expected

**68%** of respondents believed Hill College works to make tuition affordable

2. Replacing our Student Satisfaction survey, we participated in **Revealing Institutional Strengths and Challenges (RISC)** survey.

**91%** of respondents would recommend Hill College to a friend

**94%** of respondents believe their education is worth what they paid or more

Full survey results are located on the Secure Site under Institutional Effectiveness.

**NEW EMPLOYEE SURVEY!!** Hill College is partnering with UT Austin’s Institute for Organizational Excellence in providing the employee survey this spring. Further information will be provided as we get closer to the launch time.

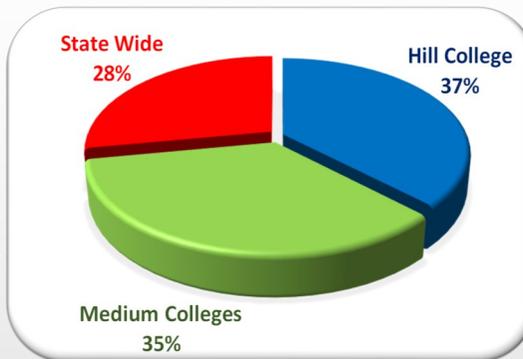

Student comments pertaining to strengths of Hill College, RISC Survey Fall 2018

## DATA BITES: GRADUATION RATES

How do we stack up to similar institutions? How do we stack up to the State? The graphics below give a glimpse of how well Hill College aligns with Medium Community Colleges and Statewide:

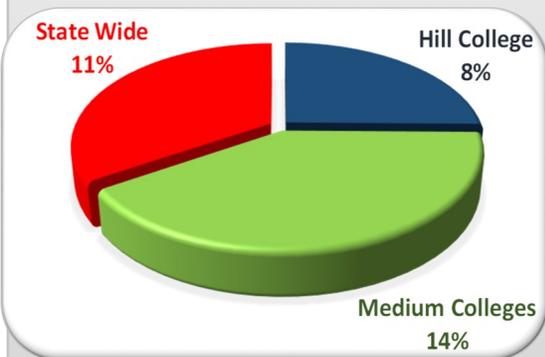

### FULL TIME STUDENT 3-YEAR GRADUATION RATE

The percentage of first-time, credential-seeking undergraduates who graduate within 3 academic years. Those students who enrolled in their first fall as full-time students (taking 12 or more semester credit hours) are included in the cohort. Both degrees and certificates are included.

### PART TIME STUDENT 3-YEAR GRADUATION RATE

Those students who enrolled in their first fall as part-time students (taking fewer than 12 credit hours) are included in the cohort. Both degrees and certificates are included.
