

LANGUAGES ASSOCIATE OF ARTS

Learning a second language can open doors in this international world and is an effective practice to sustain brain activity. Interacting with Hill College’s second-language acquisition program helps the student to appreciate and utilize differences and similarities in world cultures, including the United States. With a program that incorporates all areas of second-language communication, including culture, Hill College students can also earn transferable credits through our academic Languages program.

Submit Apply Texas application, submit FAFSA, request official transcripts, submit test scores and provide proof of Meningitis shot.
