

## ASSOCIATE OF ARTS IN TEACHING

Hill College offers a degree option for the Associate of Arts in Teaching (AAT). This degree requires at least 60 semester credit hours of course work. This is a specialized academic associate degree program which is designed to transfer in its entirety to a baccalaureate program that leads to an initial Texas teacher certification. The curriculum provided in the associate degree is approved by the Texas Coordinating Board.

Through this program, students who are considering the Education field as a career can explore the realities, challenges, and rewards of teaching through various courses and field observation in PK-12. The education courses for this degree focus on helping students to gain an awareness of the teaching profession and teaching diverse learners. Students considering a career in education must be free of both felony and misdemeanor convictions for any crime directly related to the duties and responsibilities of the teaching profession. A student with a conviction should consult the Program Coordinator of the Education Department prior to starting this pathway.

Submit Apply Texas application, submit FAFSA, request official transcripts, submit test scores and provide proof of Meningitis shot.
