RESIDENCE HALL ASSIGNMENTS, PROCEDURES AND CONTRACTS

Full Time Student
Students living in the residence halls must be enrolled in a minimum of 12 semester credit hours unless otherwise approved by administration. Students living in the residence halls for the summer term must be enrolled in a minimum of 6 semester credit hours per each summer session. Enrollment status of residence hall students is monitored. A resident who drops below the minimum enrollment requirement must report to the Office of Residential Life. Removal from the residence hall for failure to maintain full time status is possible.

Check-in/Check-out Procedures
During check-in, paperwork must be completed properly for a student to remain in good standing with the Office of Residential Life. Instructions on paperwork will be given at time of check-in. Paperwork must be completed and on file with the Office of Residential Life. If a student is unable to check in by the deadline, the residence hall space will be held only if they notify the Office of Residential Life of their late arrival. Residents who do not check into their room will forfeit their residence hall deposit and room assignment.
When vacating a Residence Hall, a student must check-out through the Office of Residential Life with the proper paperwork and procedures completed to remain in good standing. Failure to complete the process will result in an improper check-in/out fee of $25.00. A fee will be assessed if the room is not left clean, if there are any personal items left in the room that the institution must dispose of, or if there is any damage. If trash and/or belongings are left in the bathroom, and/or if there is damage, students in both adjoining rooms may be charged a fee.

In the event that property is left after the check-out deadline, the property will be declared abandoned and will be discarded.

**Change of Address**
Always be sure to update any address changes with the Enrollment Management Office through the MyRebel portal. It is vital that you keep your permanent mailing address current in order to receive Hill College communications in a timely manner.

**Room Assignments**
While living on campus, every effort is made to make sure every student’s experience while enrolled at Hill College is an enjoyable one. The Office of Residential Life reserves the right to make all hall/room assignments and to make any subsequent changes considered necessary. Once a contract is signed, the Department of Residential Life guarantees students a space (not a particular room or residence hall) on campus.

1. First priority is given to accommodate returning students’ preferences for residence hall assignments.
2. Incoming students’ preferences will be accommodated as space permits.
3. No room changes will be made until two weeks (14 days) after the first day of class unless approved by the Residence Hall Manager(s).
4. No student may deny or deter another student assigned to that resident space. No student may coerce, intimidate, or force another assigned student out of the room.
5. Room changes are only permitted when a recommendation is made by the Residence Hall Manager(s) and approved by the Associate Dean of Students.
6. No room change will be permitted unless a Room Change Application Form is obtained from, completed, and returned to the Residence Hall Manager.
7. Students changing rooms without approval will be subject to disciplinary action and a monetary fine of $75.00 to be charged to the account of the student who physically moved. No further requests will be granted for that student.

**Room Accommodations for Students with Disabilities**
The Academic Advising and Success Center works closely with the Texas Department of Assistive and Rehabilitative Services, related federal agencies and other organizations that provide service/aid to disabled individuals in order to provide the fullest range of services possible. Section 504 of the Rehabilitation Act of 1973 (117 kB) and the Americans with Disabilities Act (ADA) of 1990 (117 kB) prohibit discrimination in the recruitment, admission, and treatment of students with disabilities. Students with qualified and documented disabilities may request accommodations which will enable them to participate in and benefit from educational programs and activities. Students must provide appropriate documentation of the disability, complete an application for special accommodation/modification, and schedule and participate in an interview with a Hill College academic advisor. Please contact the Academic Advising and Success Center for additional information.

**Living with a Roommate**
A roommate is someone with whom you live who may also be a potential friend. Roommates will have different personalities, interests and experiences. Some roommates will find that they share a lot in common; others will develop a strong friendship based on sharing their differences. Keep in mind that living with someone else often teaches you more about yourself. Remember that patience and understanding are key tools to a successful roommate partnership.
Common Roommate Courtesies
Your enjoyment of your residential life experience will depend on the mutual respect and understanding that you demonstrate as a roommate. It is important that each student realizes she/he has basic courtesies while residing in a residence hall. Basic courtesies include the following:
- The ability to read and study free from interference.
- The ability to sleep uninterrupted.
- The ability to an equal share of space in the room.
- The ability to have a safe, healthy, and clean environment.
- The ability to expect that each person will respect the other’s belongings.

In order to establish positive roommate relationships, roommates must:
- Be treated with respect.
- Listen to one another and take comments seriously.
- Be responsible for mistakes.
- Express personal feelings in a manner that does not violate the dignity of others.
- Be able to say “no” without feeling guilty.

If conflicts arise between you and your roommate, follow these guidelines:
- Keep the problem between you and your roommate.
- Talk with your roommate about the situation.
- Discuss solutions that you both can live with and write them down.
- Watch for nonverbal cues.
- Discuss the situation with your Residence Hall Manager.

Resident Identification
During the check-in process, new students will be issued a Rowdy Card (student ID). This is the official Hill College ID card. It is good for three years after the date of issuance, and the replacement cost is $25.00. This card must be carried on the student at all times while on any Hill College campus. The ID card is property of Hill College and must be presented to a college official upon request. Failure to produce proper ID can result in a student’s removal from campus until proper ID can be presented, and disciplinary action from the Office of Student Services may be taken.

Residence Hall Contracts
Each resident must have a signed residence hall contract, for each term, on file in the Office of Residential Life. This contract is an agreement between Hill College and each resident on the policies and procedures that must be followed while living in a residence hall. If a resident wishes to remain in a residence hall for the next year, they will be requested to indicate it on the check-out sheet at the end of the year. Residents will be required to resign the residence hall contract for the next year.

Deposits
All new residents are required to pay a $300 deposit. $50 is a one-time non-refundable processing fee. $250 is a refundable deposit that covers room damages and/or fees that the resident may incur during their stay. If the student has no outstanding fees and is not returning to Hill College, they have 90 days from the end of the spring semester, until August 1st, to request the deposit back. These are not covered by scholarships.

Off-Campus Housing
Depending on residence hall demands each term, Hill College may offer off-campus housing options to students. Please contact the Associate Dean of Students for more information. Students who elect to take advantage of off-campus housing through the Office of Residential Life are required to follow the same policies and procedures as on-campus residence hall students.

Inventory/Existing Damage Sheets
An inventory sheet of the resident’s room must be completed, signed and returned to the Office of Residential Life upon check in. Damage done to the halls throughout the semester will be charged to each resident or to multiple residents who share common areas if no individual is found responsible. Notation of the room’s physical status upon occupancy is required to ensure appropriate assessment of any new damages. This
documentation sheet should be returned to the Office of Residential Life or the Residence Hall Managers within 72 hours of move-in to establish room physical status. Any sheet turned in after that time will be considered null and void, and all damages found in that room will be charged to the current resident. Residents may request a copy of this completed documentation for their personal records. Failure to complete this process will result in a $25.00 fee.

**Keys**

Keys are property of Hill College and may not be duplicated or shared. Every resident will receive a key upon check-in. Each resident is responsible for their own key! Missing keys should be reported to the Office of Residential Life immediately. A replacement key will be issued, and a $50 fee will be assessed for each key. Sharing of keys is prohibited and is a major violation of campus safety. Violators may be subject to disciplinary action. Upon check-out, all keys must be returned to the Office of Residential Life. Failure to return keys at that time will result in a $60 fine.

**Holidays**

College Residence Halls are officially closed for holidays, according to the Hill College academic calendar. Students are encouraged to remove valuables from the residence halls during these periods to reduce the opportunity for theft. Students that need to stay during the breaks need to make arrangements with the Office of Residential Life. Food service is not provided during holiday breaks.

Check-out sheets must be filled out and instructions followed for students to remain in good standing with the Office of Residential Life. Failure to properly check-out will result in a $25.00 fine. While college is closed for Thanksgiving, Christmas, Spring and Summer breaks, all residents must vacate the residence hall by the designated time. Exceptions to this policy will be approved by the Associate Dean of Students only. Dates and times to move back into the Residence Halls will be provided before the break occurs.

**Summer Residence Halls**

Hill College students may live in the Residence Halls provided they are enrolled full-time (minimum of 6 semester credit hours per each summer session). There is a $500 fee for each of the Summer session (I and/or II). Residents must complete a residence hall application for summer. The fee may be increased without notice. Be aware that food services will not be provided during Summer Sessions.

**Furniture**

Residents are responsible for the furniture in their rooms. Students are welcome to make their room feel like home, but must follow these guidelines:

- Do not remove furniture from the room/building.
- Do not take college owned chairs outside to sit on.
- Do not dent, scratch or deface the walls or furniture while arranging furniture.
- Tall furniture must not block window in Dudley and Frazier since this could be a possible exit in the case of a fire. Windows in Bailey do not open and furniture may be put in front of these windows.

Remember, individual students are directly responsible for the care of the furniture for which they are individually assigned. A fee will be charged at the end of the term for damaged or missing furniture. Both students assigned to the room will be charged equally if the responsible student does not come forward.

**Room Decorations**

Students are encouraged to decorate their rooms to make them feel like home. Consideration should be made for the interests and tastes of roommates during this process. Residence Halls are high-traffic living quarters. Care should be taken to ensure an appealing physical appearance of the buildings. Decorations that are vulgar or defamatory are not allowed. All exterior residence hall doors are locked 24 hours a day. Propping of exterior doors and/or tampering with locks is a serious campus safety violation. Residents involved in such activities may be removed from residence halls.

**Security of Room**
The ultimate responsibility for personal security rests with each resident. To maintain security, the doors should be closed and locked when a resident is not at home. Doors should also be locked when a resident is simply down the hall and while sleeping. While friendliness and congeniality in the college community help to create a collaborative environment, they also reduce the concern for personal safety. To keep books and other personal belongings safe, please keep doors locked and uninvited guests out. When maintenance or custodial personnel are working in the Residence Hall, all doors will be closed and locked behind them when their work is complete. Students should carry their keys at all times when they leave their rooms.

To help prevent theft or damage to personal and school property, Residence Hall rooms must be secured/locked when students assigned to the room are not present. If rooms are found unsecured by a Residence Hall Manager, Student Services or Campus Safety personnel, a $10.00 fine may be assessed to each student assigned to the room.

The appropriate administrator shall investigate as necessary and schedule a conference with the student within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any relevant documents or information the administrator believes will help resolve the complaint.

LEVEL TWO
If the student did not receive the relief requested at Level One or if the time for a response has expired, the student may request a conference with the academic dean or dean of students to appeal the Level One decision.

The appeal notice must be filed in writing, on a Hill College Student Complaint Form – Level II, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student may request a copy of the Level One record.

The Level One record shall include:

1. The Hill College Student Complaint form and any attachments.
2. All other documents submitted by the student at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student may provide information concerning any documents or information relied on by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference,
and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

**LEVEL THREE**

If the student did not receive the relief requested at Level Two or if the time for a response has expired, the student may request a conference with the College President or designee to appeal the Level Two decision.

The appeal notice must be filed in writing, on a Hill College Student Complaint Form – Level III, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two complaint to the Level Three administrator. The student may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The Level Three administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level Two. At the conference, the student may provide information concerning any documents or information relied on by the administration for the Level Two decision. The Level Three administrator may set reasonable time limits for the conference.

The Level Three administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Three administrator may consider the Level One and Level Two records, information provided at the Level Three conference, and any other relevant documents or information the Level Three administrator believes will help resolve the complaint.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

**LEVEL FOUR**

If the student did not receive the relief requested at Level Three or if the time for a response has expired, the student may appeal the decision to the Board.

The appeal notice must be filed in writing, on a Hill College Student Complaint Form – Level IV, within ten days after receipt of the written Level Three response, or, if no response was received, within ten days of the Level Three response deadline.

The College President or designee shall inform the student of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The College President or designee shall provide the Board the record of the Level Three complaint. The student may request a copy of the Level Three record.

The Level Three record shall include:
1. The Level One record.
2. The Level Two record.
3. The written response issued at Level Three and any attachments.
4. All other documents relied upon by the administration in reaching the Level Three decision.

The appeal shall be limited to the issues and documents considered at Level Three, except that if at the Level Four hearing the administration intends to rely on evidence not included in the Level Three record, the administration shall provide the student notice of the nature of the evidence at least three days before the hearing.

The College District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law.

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the student or the student’s representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If for any reason the Board fails to reach a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.
