

# BUSINESS MANAGEMENT ASSOCIATE OF APPLIED SCIENCE

Business Administration/Management is found in all industries and is expected to grow by 12 percent in the next several years. No wonder business is the largest undergraduate major in the United States. The Hill College Business Administration program provides knowledge and skills in planning, directing and evaluating business functions essential and efficient for business operations.

Business Administration careers are available in every sector of the economy. Hill College's Business Certificates and Associate Degrees provide up-to-date management skills for the business and industrial community. The degrees offer management, marketing and academic core courses.

Submit Apply Texas application, submit FAFSA, request official transcripts, submit test scores and provide proof of Meningitis shot.
