

HILL COLLEGE

ADDENDUM NO. 05

RFP No. 25/26-002

Renovation of the Technology Building into the Cosmetology & Barber School (JCC)

Date Issued: March 26, 2026

This Addendum forms a part of the Request for Competitive Sealed Proposals (CSP) issued by Hill College and **clarifies restroom fixture and millwork requirements**. Except as expressly modified by this Addendum, all other terms, conditions, and requirements of the RFP and previously issued addenda remain unchanged. Proposers shall acknowledge receipt of this Addendum in the **Addenda Checklist (Appendix One, Section 4)**.

I. PURPOSE OF THIS ADDENDUM

The purpose of Addendum No. 05 is to clarify restroom sink and millwork scope and to eliminate countertop millwork at restroom sinks in favor of **ADA-compliant pedestal-style sinks**.

II. CLARIFICATION – RESTROOM SINKS AND MILLWORK

Millwork, countertops, and cabinetry at restroom sink locations are **not desired** and shall **not** be included as part of the Work.

All sinks at restroom locations included in the Scope of Work shall be provided as **pedestal-style sinks** that are fully **ADA-compliant**, including required clearances, knee space, mounting heights, and accessibility requirements in accordance with applicable codes.

The selected Contractor shall:

- Exclude restroom countertop millwork or cabinetry from its proposal pricing,
- Furnish and install pedestal-style sinks that meet ADA requirements, and
- Coordinate associated plumbing rough-ins, supports, anchorage, and finishes necessary for a complete installation.

This requirement applies to **both men's and women's restrooms** included in the renovated areas unless otherwise specifically noted in the RFP documents.

III. EFFECT OF THIS ADDENDUM

This Addendum clarifies restroom sink configuration and removes countertop millwork from the Scope of Work. All other restroom accessories, finishes, and plumbing requirements remain unchanged unless modified by a separate addendum.

IV. ACKNOWLEDGMENT

Proposers must acknowledge receipt of this Addendum by completing and submitting the **Addenda Checklist (Appendix One, Section 4)** with their proposal submission.
