

ATHLETIC TRAINER ASSOCIATE OF ARTS

The Hill College Student Athletic Trainer Education Program is a two-year preparatory program designed to lead to placement in a four-year bachelor's degree in Athletic Training or Sports Studies/Kinesiology thus creating the pathway to a master's degree in Athletic Training.

The intent of the program is to allow students to experience the expectations of performing the duties of a student athletic trainer while gaining critical observation hours and completing the academic course work leading to an associate degree. These experiences will assist to ease the transition of the athletic training student into a bachelor's level degree. As a Hill College student athletic trainer, you will be able to work directly with the Hill College athletic teams on a daily basis fulfilling the role of a liaison between the athletes and the athletic trainer.

Submit Apply Texas application, submit FAFSA, request official transcripts, submit test scores and provide proof of Meningitis shot.
